Our Ref: R23.

3rd August 2023.

Att: To Whom It May Concern.

This serves to confirm that Redwing Technologies are the Tamini Transformatori representatives in Southern Africa and carries out site erection and cold commissioning of new Tamini transformers with warranties being honoured by Tamini when Redwing is contractually responsible for this work.

In addition, Redwing Technologies carries out other transformer site work for and on behalf of Tamini which includes erection, testing, maintenance and repairs throughout Africa and in Asia.

Redwing Technologies combines with their preferred supplier Southern Power Maintenance (SPM) who performs all site work.

Yours faithfully
for and on behalf of Redwing Technologies
